Volume 19 Issue 1 June 2012

## An Introduction from Your Governor, Morgan Fierro

Hello Wisconsin-Upper Michigan! My name is Morgan Fierro and I serve as your 2012-2013 District Governor. I have been a part of the K-Family for about 7 years now; I was in Key Club for four years and in Circle K for 3 years. My favorite part about Circle K and the reason why I joined in the K-Family is the service tenant of our organization. Without our dedication to service, we would just be another ordinary club. As servant leaders, we are the college students that make a difference in this world. We help our next generation have a safe and beautiful place to live.

I decided to run for District Governor because I cherish the passion each

member has for service. I believe that a Governor should be the role model of the district and show the true colors of service, leadership, and fellowship. I feel that I will be able to help communication between the club and the district so that members know the board is there to help in any way. As Governor, I want to help Wisconsin-Upper Michigan SING it out loud because everyone's voice matters. SING focuses on **S**erving within the district, **I**ncreasing membership, creating better **N**ews and communication, and **G**enerating K-Family relations. My mission as Governor is to create a great sense of communication in the district so that we do what we do best, to serve.

# Governor Morgan Fierro

This year, my governor's project focuses on helping schools retain extra-curricular activities in grade schools. It is important for schools to have additional activities to not only provide a creative outlet, but also offer children opportunities that may encourage enthusiasm and develop skill. Yet, grade schools are getting rid of extra-curricular activities like music, art and gym. The

Wisconsin-Upper Michigan District can help by raising money to donate to schools; which will give their students an opportunity to be passionate about variety of activities. As Circle K is an organization that has branches in all age groups, it is important to help our next generation. Raising money at each district event will help schools keep these kinds of activities.

“As Circle K is an organization that has branches in all age groups, it is important to help our next generation.”

I chose this as my Governor's Project because as a child I thrived on music in the classroom, making school more enjoyable. I was able to relate music to my studies and now as a young adult I can apply it to my college degree. I know that many of us can recall the best times of our youth included art, music, and athletics. Let's make sure more kids can have that experience. I would hope to raise \$1,400 total and split to multiple schools.

I hope to work with all of the members of Wisconsin-Upper Michigan on making the 50<sup>th</sup> year of service amazing! I am honored to serve as your 2012-2013 Governor and if you need to talk to me, I am here for you. I can be reached at [musicallymorgi@gmail.com](mailto:musicallymorgi@gmail.com) if any of you have any questions, comments, or concerns.

# Welcome the District Board of 2012-2013!

District  
Governor:  
**Morgan Fierro**

My name is Morgan Fierro and I am your District Governor. I'm a junior at Alverno College majoring in Psychology with minors in Music Performance and English. Without our dedication to service, we would just be an ordinary club. As servant leaders, we make a difference in this world. We help the next generation have a safe and beautiful place to live. My other passion is music. I am probably one of the biggest music geeks you will meet. One thing you should know about me is that I am obsessed with Harry Potter; I love the movies and the books. I am honored to serve as your Governor and if you need to talk to me, I am here for you.

District  
Secretary: **Amy Taake**

I am a sophomore psychology major from UWEC. Family is a big part of my life; I have a pretty big one and I love it! I want to travel; one day hoping to back pack across Europe, reading, listening to music, shopping and doing my nails. I love working with children and hope to be able to help kids open up and talk about their problems through play. I started getting involved with Circle K as a freshman and I wanted to try and get more involved with the district. I cannot wait to spend this next year getting to know all of you!

District  
Treasurer:  
**Matthew Bowe**

I am a junior at UW-Eau Claire. I am majoring in mathematics and physics education. I hope to not only keep this district in excellent financial security and stability but also to redefine the role of treasurer. The absolute best part of Circle K has to be the three tenants working in harmony to produce all of the deliciousness that each club and each individual has done in the past and will continue to produce for the years to come. My inspiration is you. Whenever I see a group of people leading others, serving others, and "fellowing" others, I swell with glee and happiness and that nice, warm feeling of goodness.

District Bulletin  
Editor:  
**Melissa Kiela**

Hello there, this fall I will be a senior at the University of Wisconsin - Green Bay studying Social Change and Development: Global Studies, Environmental Public Policy and Spanish. I like flowers and working in the garden and I enjoy traveling, napping, jamming on my uke, and I love to dance. The best part of Circle K is interacting with the community and making a direct impact; such as making meals and talking to the peeps at the homeless shelter. Please send me any information of future and past event that your club is up to and let the WUM district know the fantastic things you're doing!

Capital  
Lieutenant  
Governor:  
**Margo Edge**

I am a junior Clinical Psychology major and an English Writing and Women and Gender Studies minor at Edgewood College. My goals this year are centralized around communication and teamwork. I want to keep an open dialogue, not only with the members of my division, but with the whole district and its members. I enjoy being a part of Circle K because I feel we are a family that strives to do something great every day. All of you inspire me every day to strive to be the best that I can be. Although I may be the new gam gam of the district board, I applaud you for all of your wonderful work in Circle K.

Chippewa  
Lieutenant  
Governor:  
**Jennifer Drews**

This coming fall I will be a junior at UW-Eau Claire. My major is Kinesiology- Human Performance with a Pre-Professional Emphasis and a Psychology minor. I love being with family and friends, traveling, eating and just laughing and enjoying life. My inspiration is no doubt my mom who has been there for me through everything. My favorite part of Circle K is wide variety of service opportunities that are available and meeting many people with the same passions as me. I am looking forward to being on district board and serving our WUM district.

Metro  
Lieutenant  
Governor: **Kelly  
Kloth**

My name is Kelly Kloth and I'm a sophomore at UW-Milwaukee where I study Broad Field Social Studies Education. I hope to be a high school teacher in the Milwaukee Public School District focusing on at-risk youth. I love being able to help so many in my community and seeing the positive impacts while hanging out with some of the greatest people. I am inspired by people like Ghandi and our Governor Morgan Fierro to be the best person I can be. If you ever have questions, please contact me. I look forward to serving with you this year.

Northwoods  
Lieutenant  
Governor:  
**Jennesa Heiting**

This upcoming fall I will be starting my 5<sup>th</sup> and final year at the University of Wisconsin Green Bay where I am majoring in Human Development and Psychology with a minor in Women and Gender Studies. I love working with kids, listening to any type of music and of course watching Packer and Brewer Games. My favorite part of Circle K is knowing that I am making a difference with the volunteering that I am doing. As your Northwoods Lieutenant Governor I am here to help with any questions or concerns you may have. I am looking forward to getting to know so many of you this year and seeing what WUM Circle K has to offer in our 50th year!!

Southeast  
Lieutenant  
Governor:  
**Lena  
Scheibengraber**

My name is Lena Scheibengraber, and I have the honor of once again serving as the Southeast Lieutenant Governor. This year is sadly my last in Circle K, as I'll be finishing up my fifth year with a double major in Mathematics and Global Studies & International Affairs. The events, friends I have made, and the lack of sleep we have during CKI weekends are all things that have instilled a deep love of this organization in my heart. One day, I hope to affect as many people as Mahatma Gandhi has by volunteering my time to the Peace Corps! If you ever have questions or suggestions, feel free to contact me. I can't wait to see how outstanding we can make this 50th year!

Superior  
Lieutenant  
Governor:  
**Lauren Kors**

Hi everyone! This will be my fourth year at Michigan Technological University, where I'm majoring in Forensic Anthropology and minoring in Biology and International Studies. I enjoy reading awesome books. I also really enjoy painting, photography, ultimate frisbee, water polo, broomball, bright colors, video games, and ridiculous B movies. My all time favorite part of Circle K is seeing the difference we can make in someone's life. As the Superior LTG I look forward to bringing the clubs from "da U.P." together with our amazing Wisconsin family more often and to promote all things Yooper, Circle K, and W-UM in my everyday life

Winnebago  
Lieutenant  
Governor:  
**Mollie Spencer**

Hello Everyone!

My name is Mollie Spencer and I am the new Winnebago LTG. I am really excited to be working closely with the 2012-2013 WUM District and watching it grow. All you need to know about me is I love One Direction, Leonardo DiCaprio, and Justin Bieber.

Awards,  
Regulation &  
History Chair:  
**Taryn Grisham**

I am Taryn Grisham and I am serving as Awards, Regulations & History Chair this year. I am starting my junior year at the University of Wisconsin-Madison, where I am pursuing double majors in Journalism & Mass Communication and German language. My favorite part of Circle K is the district events. These are not only so much fun, but they also give Circle K clubs from around the district the opportunity to come together and share the passion they have for this organization with one another. As the ARH Chair, I will release the awards disc for all clubs at MAC in October. If any questions about these awards arise, or you would like to join my committee, feel free to contact me.

Convention  
Chair:  
**Jackie Erzinger**

My name is Jackie Erzinger, and I am serving as the District Convention Chair. This fall I will be starting my senior year at Edgewood College, graduating in May 2013 with a degree in Sociology, with an emphasis in Social Work, and a minor in Communication Studies. 2013 marks the 50<sup>th</sup> year for WUM, and I'm thrilled to be able to plan an unforgettable DCON experience for all of you! This year's theme is "Rolling Out the Red Carpet: Lights, Camera, Service" and will be held February 22-24<sup>th</sup>, 2013 in Racine, Wisconsin. If anyone is interested in helping plan this event or share ideas, please contact me.

Kiwanis  
Family  
Outreach  
Chair:  
**Sarah Nolan**

Hey WUM, I am a senior at the University of Wisconsin Whitewater majoring in Social work with a minor in Special Education and Communicative Disorders. This is my third year being on district board and my fourth year in Circle K. If you can't tell I love Circle K and I will never be able to leave the Kiwanis family. The Kiwanis family is not possible without the bond that we have between our branches of the K-family. My goal this year is to not only build a stronger bond with Key Club and Kiwanis but to try to start closer bonds with Builders Clubs, K-kids and Aktion Clubs. The only way I can make this possible is with your help. If there is a branch of the K-family in your area reach out and do something with them.

Membership,  
Development &  
Growth Chair:  
**Betsy  
Henderson**

I will am beginning my 4th year at University of Wisconsin Oshkosh and I am pursuing a Dual Education Degree in Special Education and Regular Education in grades 1 through 8. I enjoy being with friends, traveling, and just walking around outside. I love to swim in the summertime. I have worked with Easter Seals for 3 years and love being able to help Easter Seals through Circle K projects. My favorite part of Circle K is being able to raise money for Special Olympics by participating in the Polar Plunge and also volunteering at the sport events. As the Membership, Development, and Growth Chair, I am looking forward to providing clubs with recruitment resources as well as helping reactivate and charter new clubs.

Service  
Chair:  
**Emily Condon**

Hi, I am going to be a senior at Alverno College with a major in Education and a minor in Science. Being a part of Circle K has not only given me opportunities for service and various leadership roles, but also the opportunity to make lifelong friends. One of the most influential events that I have attended thus far in Circle K was the Large Scale Service Project last summer. It was an amazing opportunity to take over Virginia Beach and do a crazy amount of service! I had a blast doing service and meeting people from all over the world! Live to SERVE, Love to SERVE ☺

Special Events  
Chair: **Jenny  
Happ**

I will be a senior at UW-Whitewater studying Social Work with a minor in Human Services. I then plan to go on to LaCrosse to get my Masters in Therapeutic Recreation. Outside of my life in Circle K, I am involved with the Social Work Student Organization where I just recently served as the Volunteer Coordinator. I work at our Children's Center on campus as well. Besides school, I have many hobbies that consist of: camping, atvng, playing tennis, swimming, fishing, hunting, gardening, scrapbooking, and being with my family. I am a very outdoorsy person and I love to watch Jeff Dunham. Larrv the Cable Guv. and Cars (Mater is the best!).

Webmaster:  
**Nico Galles**

J'étudie à Edgewood College avec spécialisation en Communications D'Affaires et de gestion avec des mineurs dans la Langue Française et de L'Économie. Objectifs personnels que j'ai sont de garder mon 3.8 ou mieux GPA, ainsi que tenter d'être une personne de moins sarcastique. District sage, j'aimerais pour s'assurer que notre site Internet du district est informatif, bien aménagé, et utile à tous les membres de CKI. Récemment, j'ai perdu la personne la plus inspirante dans ma vie, ma mère. Toujours et toujours ma meilleure inspiration et le plus grand fan.

District  
Administrator:  
**Janet Degroot**

Greetings WUM Circle K! My name is Janet DeGroot and starting my fourth year serving as Circle K District Administrator. I am a member of the Berlin Kiwanis Club. On a personal note, I have been married to my husband Steve for 22 years this July and currently reside in Cedar Rapids, IA. I am a lifelong Packer fan and try to attend as many games as possible. I am continually amazed year after year by what WUM Circle K accomplishes and I am looking forward to this 50<sup>th</sup> year of service being another wonderful year.

Assistant  
District  
Administrator:  
**Justin Hahn**

My name is Justin Hahn and I am a member of the Waterford Area Kiwanis Club. My favorite thing about Circle K is getting to watch all of you develop as leaders and witnessing firsthand what can be accomplished and how much we can all make a difference. Every year, I am more impressed with the membership of this District, and I can already tell that this year will be no different. I am excited to see what can be accomplished this year and if you ever need anything, please don't hesitate to ask. I can be reached at [justinhahn1128@gmail.com](mailto:justinhahn1128@gmail.com)!

Assistant  
District  
Administrator:  
**Jeremy Tabin**

This is my 7<sup>th</sup> year lending a helping hand in the district, and it certainly has been a wonderful adventure. I am currently a member of the Greater Wausau Kiwanis club, but I work as a meteorologist at the local CBS station in town. Whether it is forecasting the next round of severe thunderstorms or figuring out the amount of snowfall for a winter storm, my job is always challenging and features something different every day. Having grown up near Philadelphia, I am an avid fan of the Phillies, Flyers & Eagles. However, I do support the Packers & Brewers, especially when they aren't playing my hometown teams. Live to Serve, Love to Serve!

- February 22-24, 2013 WUM Circle K District Convention-Racine, WI

CKI Leadership Academy is an investment in the members of CKI. The six-day event is intense and focuses on the E6 Framework created by Brendon Burchard. Students go through the steps to envision, enlist, embody, empower, evaluate, and encourage. They learn that true leadership is based on servant leadership, which requires leaders to put the needs of others first, and to realize that no matter whether or not you have a title, there is always a need for service to one another and to the world. The most unique part of the program—and what sets it apart from others—is that students and facilitators have an opportunity to do a service project during the program.

Leadership Academy takes place **Monday, July 30 – Saturday, August 4, 2012**. Participants must arrive at the Indianapolis airport by 2:00 p.m. on Monday, July 30, and may depart after 3:00 p.m. on Saturday, August 4, if flying. If you are driving, you may depart after 12:30 p.m. **Do not book return flights before 3:00 pm.** The event takes place at Waycross Camp & Conference Center (<http://www.waycrosscenter.org>) in Morgantown, Indiana. Leadership Academy is six days without social media interaction, but amazing human social interaction. Be prepared to live without cell phone coverage and internet for the week—other than that, you will have access to modern conveniences and excellent food.

Apply online (<http://www.formstack.com/forms/Kiwanis-CKIAPP>). Your application will be reviewed and you will be notified within 14 days if you have been accepted to attend this year's event. The cost is \$145.00. Registration closes July 6, 2012. **There are district funds to send students who are interested.** Students interested in the district funding option should contact District Administrator Janet DeGroot at [janet.degroot@gmail.com](mailto:janet.degroot@gmail.com) to discuss the details.

# MERP July 13 – 15

Hey WUM-Circle K'ers, want to come out and get some rays of sun while serving and also enjoying fires while camping?? GET EXCITED BECAUSE this year we will be CAMPING 500 FEET above the Wisconsin River and be right by the Mississippi River on a BEAUTIFUL BLUFF!!!!!! You ...might be wondering what **MERP** is....it is Membership Education Recruitment Program, where you get to do service and learn how to recruit members for your upcoming year! It is open to all Circle K'ers! It is very beneficial because you learn what it takes to recruit members to your club while having a fun filled weekend!

Come on out to Wyalusing **State Park, July 13th to 15th in Bagley, WI**. You get to experience an unforgettable weekend with all of your Circle K friends from all over Wisconsin and Upper Michigan. This weekend is a great way to get out in the sun and enjoy a weekend away from home with your WUM friends.

You get to spend the first night of your experience out under the stars enjoying a campfire playing Mafia with friends and then spend the next day VOLUNTEERING around the area, then bonding with fellow Circle K'ers. After that, we will be doing a workshop on recruitment, and then in the afternoon, have a ton of fun! COME HAVE FUN WITH CIRCLE K OVER THE SUMMER AT MERP, July 13th-15th! More information to come! Keep your eyes peeled! If you have any questions, please contact Jenny Happ @ [happ.jenny@gmail.com](mailto:happ.jenny@gmail.com).

## ELIMINATE

Kiwanis eliminating maternal/neonatal tetanus

24 countries have ELIMINATED maternal and neonatal tetanus (MNT) we have 35 countries left to ELIMINATE MNT. We all love helping those in need so why not have fun while making a donation to ELIMINATE at the Kiwanis Family Brewers game on **September 19th 2012 at 1:10pm.** \$5 of your ticket price will go towards ELIMINATE. The total ticket price is \$20 a ticket.

Please send your **registration** form and check by **August 8th 2012** to Janet Degroot. The Milwaukee Brewers will be taking on the New York Mets and the first five thousand fans will receive an Aramis Ramirez bobble head. So come and join us as we "throw ELIMINATE a curve ball!"

**Profit from this event will go towards the ELIMINATE project!**

The Eliminate Project focuses on preventing maternal and neonatal tetanus (MNT). MNT kills one baby every nine minutes. By giving a mother of childbearing age three doses of this immunization, all these deaths can be prevented.

# District Goals 2012 - 2013

The District Board collaborated on an Earth Day weekend of April 20<sup>th</sup> – 22<sup>nd</sup> setting out to make impressive, though not pretentious, goals for the current Circle K year of 2012-2013. With growing membership and increasing service hours, the District Board exceeded the previous year's expectations in not just membership and attendance, but also more service hours per member (30h/member) and money raised. The WUM District expects a lot out of you so check out our ambitions for this year and help us reach our target!

Editors Note: Please email Melissa Kiela [melissa.kiela@gmail.com](mailto:melissa.kiela@gmail.com) with any corrections or notifications. If you would like to place something in the bulletin, all Circle K activity is appropriate. Comments, concerns, and questions are also welcome.
